LETTER

Sir:

The undersigned received a call from Maikhanh Nguyen asking for retransmittal of the IDS. Accordingly, the undersigned's file copy is being faxed herewith. It appears that the original should have contained copies of patent application serial numbers 09/225,814 and 09/225,815. The undersigned does not appear to have copies of those. The former has since issued as US Patent No. 6,507,856, of which the undersigned will attempt to obtain a copy online & send it in. The latter is still pending and therefore cannot be made of record in any case, though the undersigned believes that the Examiner should be able to obtain a copy fairly easily.

The undersigned has also been informed that there may be an IDS or list of references in the provisional application as well.

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited this date with the United States Postal Service as first class mail in an envelope addressed to
